

## *Camping Le Perpetuum*

### On arrival

The Camping Le Perpetuum welcomes you for your stay in mobile home every Saturdays between July and August, and every day in low season (May – June – September – October).

You can present yourself at the reception in the early afternoon, from 15 h. If you want to arrive sooner, it is possible for you to have a meal at our snack and enjoy the swimming pools as well as the playgrounds until the reception opens.

When you arrive at the camping, you can park at the night car park, the time to complete formalities. Present yourself at the reception with an ID and your booking form. A 160 euro guarantee cheque will be asked from you. You can choose to take the cleaning option so you will not have to do it at the end of your stay.

Then, one of our staff member will guide you to your accommodation, where you will make an inventory of fixtures. In case of cleaning problem, please, inform immediately to the reception so we can take action as soon as possible. As well as the lack of a very important element (coffee maker, blankets, pillows...), the reception will replace it for you as far as possible.

On your departure, please, present yourself at the reception when you are ready. The accommodation must be neat and clean so that the inventory fixtures can be done. At the end of it, in the case where everything would have been done correctly, we will give your guarantee cheque back. We reserve ourselves the right to keep the cheque in its entirety or partly in case of big damages or poor condition of the accommodation.

The Perpetuum staff is happy to welcome you!
